INTRODUCTION

Single Agenda Item – Confirmation of Corporate Risk Register – Risk No. 4 (Transition to Blended Working).

1. Corporate Risk Register – Risk No. 4 (Transition to Blended Working)

The Board considered and approved the Corporate Risk Register at its meeting on 10 June 2022, subject to the amendments specified including the rewording of Risk No. 4. Consequently, the Executive undertook to revise the wording of Risk No. 4 and recirculate the revised text to the Board for its approval.

The Board noted the revised text, which was circulated to Members as promised, on 7 July. Following its consideration, the Board **approved** the revised wording for Risk No. 4.

THIS CONCLUDED THE BUSINESS OF THE MEETING.
