Agenda for Discussion Group

Let's help each other, by talking about 3 aspects of reporting:

- What methods can use to share ISSE results?
- With whom should we share ISSE results?
- How are ISSE results being used? What is their purpose?

ISSE Result Outputs

The background of the slide is a photograph of students in a computer lab. A young man with glasses and a dark t-shirt is in the foreground, focused on his work. Behind him, other students are visible, some looking at their screens. The scene is brightly lit, likely from large windows. A semi-transparent blue rectangle is overlaid on the right side of the image, containing the text.
