Digitalisation *is* a must

but

Digital change $\Rightarrow$ culture change
Digitalisation *is* a must

but

Digital change $\Rightarrow$ culture change

Changing cultures take some time :-(
April 2012
the Groningen Declaration
presented to the world
Declaration of intent:

Citizens world wide should be able to consult and share their authentic educational data with whomever they want, whenever they want, wherever
How will the GDN achieve its goals

be person centric my friend
wait ...
wait ...

shall we close our Digital Diploma Depositories?
wait ...

no way, we need a secure place to store documents
