Foreign Qualification: Bachelor degree (from a University) gives access to Post-graduate studies.
Country: Egypt
NFQ Award-Type / Level: Honours Bachelor Degree at NFQ Level 8

NFQ LEVEL SUMMARY
Learning outcomes at Level 8 relate to an understanding of the theory, concepts and methods pertaining to a field (or fields) of learning, with innovation as a key feature. The outcomes include an awareness of the boundaries of the learning in the field and the preparation required to push back those boundaries through further learning. The outcomes relate to adaptability, flexibility, ability to cope with change and the ability to exercise initiative and solve problems within their field of study. In a number of applied fields the outcomes are those linked with the independence, knowledge-based professional. In other fields the outcomes are linked with those of a generalist and would normally be appropriate to management positions.
